

as applicable, represented retirees on the date immediately preceding the Effective Date, provided, however, that in no event shall GM be required to provide life insurance benefits at a level and scope that exceeds that being provided for similarly situated IBEW or IAM – represented hourly retirees of GM.

- 7) The parties agree to fully cooperate with the efficient transfer of administrative responsibilities from Delphi to GM so that the Cessation Date will be the Effective Date or as soon as possible after the Effective Date, but in no case later than 3 months after the Effective Date (unless mutually agreed to by the parties). The parties further agree that there may be differing Cessation Dates for different portions of post-retirement medical plan benefits depending on the benefit and how quickly administrative responsibilities can be transferred. The parties further agree that the Cessation Date shall not occur unless and until GM is prepared to assume responsibility for all covered claims incurred on and after the Cessation Date, in order to assure a smooth transition of the obligation.

General Provisions

- 8) Delphi, GM, and the IUOE, IBEW, and IAM agree to make all collective bargaining agreement and benefit plan amendments and modifications necessary to implement and comply with the terms contained herein.
- 9) Employees electing a Buy Down under the applicable IUOE, IBEW, or IAM-Delphi-GM Memorandum of Understanding-Delphi Restructuring will retain eligibility for OPEB under this Term Sheet without regard to such election.
- 10) This Term Sheet shall not be effective unless the confirmation order approving the Plan incorporates and approves all of the terms of this Term Sheet (including the releases provided for herein), does not include terms that are inconsistent with this Term Sheet, and provides that on the Effective Date, the IUOE, IBEW, and IAM, all employees and former employees of Delphi represented or formerly represented by the IUOE, IBEW, and IAM, and all persons or entities with claims derived from or related to any relationship with such employees or former employees of Delphi, waive and be deemed to have waived any and all claims of any nature, whether liquidated, un-liquidated, contingent, non-contingent, asserted, unasserted, existing and/or arising in the future against Delphi, the Delphi HRP, the Delphi Health Care Program for Hourly Employees and the Delphi Life and Disability Benefits Program for Hourly Employees, GM, the GM HRP, the GM Health Care Program for Hourly Employees and the GM Life and Disability Benefits Program for Hourly Employees, and the officers, directors, employees, fiduciaries, and agents of each, arising from or related to any obligations of Delphi, GM and/or such employee benefits plans to provide OPEB or pension benefits, or related in any way to the amendment and

freeze of the Delphi HRP, the cessation of Delphi OPEB; provided however, that claims for benefits provided for under the provisions of this Term Sheet or ordinary course claims by participants and beneficiaries of the GM Health Care Program for Hourly Employees, the Delphi Health Care Program for Hourly Employees and the Delphi Life and Disability Benefits Program for Hourly Employees, arising after the Effective Date based on the denial or miscalculation of benefits under such plans are not waived. The parties acknowledge that Delphi and/or GM may seek additional waivers of other claims, other than ordinary course grievances and workers' compensation claims, in connection with the resolution of its current labor negotiations with the IUOE, IBEW, and IAM. The parties also acknowledge that (i) the consideration provided by GM in this Term Sheet constitutes a substantial contribution to the Plan, (ii) this contribution is necessary to the success of the Plan, and (iii) GM would not have made this contribution without obtaining the releases provided for herein. The Parties further acknowledge that nothing in the preceding sentence shall give rise to or entitle GM to seek or be allowed any claim against or consideration from any entity, including Delphi, other than as specifically approved by the Bankruptcy Court as agreed to by Delphi and GM in a comprehensive settlement agreement resolving the financial, commercial, and other matters between them.

The parties, by their duly authorized officers and representatives, agree accordingly this 31st day of July, 2007.

Delphi-GM- IBEW, IAM, IUOE Special Attrition Program –Transformation

1. Delphi, the International Union of Operating Engineers, AFL-CIO (IUOE), the International Brotherhood of Electrical Workers, AFL-CIO (IBEW), and the International Association of Machinists and Aerospace Workers, AFL-CIO (IAM) (collectively the “Unions”), and General Motors agree on the following Special Attrition Program – Transformation (SAP-T) for Delphi employees who are participants in the Delphi Hourly-Rate Employees Pension Plan (“Delphi HRP”).
 - a. An attrition program will be run for eligible IBEW, IAM, and IUOE-represented Delphi employees as follows:
 - i. \$35,000 for normal or early voluntary retirements when the employee’s services are no longer required but no later than January 1, 2008.
 - ii. Age 50 with 10 years of credited service Mutually Satisfactory Retirement (MSR) effective when the employee’s services are no longer required but no later than January 1, 2008.
 - b. Any employee with at least 26 and less than 30 years of credited service regardless of age will be eligible for special voluntary placement in a pre-retirement program when their services are no longer required, but no later than January 1, 2008, under the following terms:
 - i. Employees electing this pre-retirement program must be eligible no later than January 1, 2008.
 - ii. Employees will retire without additional incentives when they first accrue 30 years of credited service under the provisions of the Delphi HRP.
 - iii. The gross monthly wages while in the program will be:
 1. 29 years credited service \$2,900
 2. 28 years credited service \$2,850
 3. 27 years credited service \$2,800
 4. 26 years credited service \$2,750

Wages will be paid weekly on an hourly basis (2,080 hours per year) and will remain at that rate until 30 years of credited service is accrued. Employees will be treated the same as active employees with the following exceptions: (1) not eligible for Cost of Living Allowance (COLA); (2) not eligible for vacation pay except as was earned and unpaid prior to the commencement of this Pre-Retirement Program; (3) for purposes of pension benefits, the Benefit Class Code will be determined using the twenty-four month look back period as specified in Appendix A of the Delphi HRP, with said period starting from the last

day worked prior to the commencement of the pre-retirement program;
(4) for purposes of life insurance, the amount of life insurance will be based on the base rate as of the last day worked prior to the commencement of the pre-retirement program.

- c. Buy out of \$140,000 for eligible employees with 10 or more years of seniority or credited service, whichever is greater; \$70,000 for eligible employees with at least three but less than 10 years of seniority or credited service, whichever is greater; and \$40,000 for eligible employees with at least one but less than three years of seniority or credited service, whichever is greater, to sever all ties with GM and Delphi except any vested pension benefits (as such no pension supplements will be payable). Employees will buy out when their services are no longer required, but no later than January 1, 2008. An employee electing a buy out whose spouse is employed at Delphi may, if they meet all plan requirements to do so, be eligible for health care coverage as a dependent pursuant to their spouse's health care program.
 - d. An employee may only select one of the options described above.
 - e. Effective January 1, 2008, all employees (other than those participating in option 1.b.), not electing an attrition option will be bought down consistent with the IBEW, IAM, or IUOE -Delphi-GM Memorandum of Understanding - Delphi Restructuring applicable to the employee.
 - f. Temporary employees will be used as needed to bridge any difficulties arising from the implementation of the Special Attrition Program – Transformation.
2. GM, the Unions and Delphi agree that any employee electing to retire under options 1.a.i., 1.a.ii, or 1.b. will transition to GM for purposes of post-retirement health care and employer paid basic life insurance in retirement ("check the box") and receive such benefits from GM on the same basis as GM-IUE-CWA retirees; post-retirement medical benefits provided will be in accordance with all the ongoing terms, conditions and eligibility requirements of the GM Health Care Program for Hourly Employees. As such, GM will provide the applicable level of post retirement medical benefits consistent with the terms of the Modified Plan, as defined in the settlement agreement (the "Settlement Agreement") approved by the court in the case *IUE, et al. v. General Motors Corporation (case number 2:06-cv-12151)*, on the same basis as such benefits are provided to GM-IUE-CWA hourly employees who retired from GM with eligibility to participate in the GM Health Care Program. Any employee choosing option 1.b. above will be considered a Delphi employee until they retire. Employees who have 100% of their credited service in the Delphi HRP will receive 100% of their pension benefit from the Delphi HRP. Notwithstanding paragraph 3 below, any obligations assumed by GM under the "check the box" provisions of this paragraph shall be conclusively deemed to be comprehended by, included within, and shall constitute a prepetition, general unsecured claim assertable by GM against

the estate of Delphi Corporation under Delphi's general indemnity of GM under the Master Separation Agreement. Neither Delphi Corporation nor any of its debtor affiliates may object on any grounds to the allowance of such claim; provided, however, that Delphi Corporation and any of its debtor affiliates reserve the right to object to the economic value of such claim (in the nature of assumptions such as discount rate, health care trend rates, mortality, other withdrawal rates and current and future expected benefit plan design changes). This limited objection waiver applies to Delphi, only, and not for other parties in interest, for which all rights are expressly reserved to object to the allowance of such claim under any grounds other than it was not assertable under the Master Separation Agreement. In exchange for eligibility to receive post-retirement health care and life insurance benefits from GM, employees will waive any and all rights to post retirement health care and employer paid basic life insurance benefits from Delphi including but not limited to any and all rights to COBRA continuation through Delphi.

3. The parties acknowledge the following matters regarding the Special Attrition Program - Transformation:
 - a. Delphi's participation in this SAP-T is subject to the approval of the U.S. Bankruptcy Court; which approval Delphi will seek promptly at the next available omnibus hearing. In the event such participation is not allowed by the Bankruptcy Court, GM and the IBEW, IAM, IUOE will have no obligations hereunder. GM's obligations hereunder are subject to approval of this SAP-T by the U.S. Bankruptcy Court pursuant to entry of an order that provides for the treatment of GM's claims as described in this SAP-T and is otherwise reasonably satisfactory to GM, Delphi, the IBEW, IAM, and IUOE.
 - b. For the avoidance of doubt, any obligations assumed by GM under this SAP-T with respect to post retirement health care and employer paid basic life insurance benefit under paragraph 2 above shall be conclusively deemed to be comprehended by, included within, and shall constitute a prepetition, general unsecured claim assertable by GM against the estate of Delphi Corporation. GM agrees to assume and pay post retirement health care and employer paid basic life insurance benefit payments to Delphi employees who "check the box" for purposes of post-retirement health care and employer paid basic life insurance in retirement. .
 - c. This SAP-T shall not be subject to abrogation, modification or rejection without the mutual consent of the IBEW, IAM, or IUOE, as applicable, GM and Delphi and the order obtained in the Bankruptcy Court by Delphi approving this SAP-T shall so provide. The parties further agree (and the Bankruptcy Court order shall also provide) that this SAP-T is without prejudice to any interested party (including the parties to this SAP-T and the Official Committee of Unsecured Creditors) in all other aspects of Delphi's Chapter 11 cases, including by illustration, Delphi's and GM's respective positions in all

commercial discussions and claims matters between them, all collective bargaining matters involving the parties, in any potential proceedings under Sections 1113 and/or 1114 of the Bankruptcy Code with respect to the IBEW, IAM, or IUOE and under Section 365 of the Bankruptcy Code with respect to GM's contracts with Delphi, in any pension termination proceeding under ERISA and/or the Bankruptcy Code, and all claims administration and allowance matters.

- d. Nothing in this SAP-T, the Bankruptcy Court's approval of this SAP-T, or the performance of any obligation hereunder, shall limit or otherwise modify (a) Delphi's rights under Section 4041 of ERISA, or (b) Delphi's rights under Section 1113 and/or 1114 of the Bankruptcy Code with regard to any obligations which pre-existed this SAP-T (including pre-existing obligations referenced within this SAP-T), such as (by way of illustration only) the obligation to maintain the Delphi HRP or provide retirees or active employees (including employees/retirees participating in the attrition programs contained in this SAP-T) with levels of healthcare or other benefits as specified in pre-existing labor agreements. Under no circumstances shall Delphi freeze the Delphi HRP in a manner that prevents employees in the pre-retirement program described in Paragraph 1.b. above from receiving on-going credited service sufficient to reach 30 years of credited service. Delphi shall provide the same healthcare and life insurance coverage to employees participating in paragraph 1.b. that it provides to its other active IAM, IBEW or IUOE-represented employees, as applicable.
- e. Nothing contained herein, in the Bankruptcy Court's approval of this SAP-T, or the performance of any obligation hereunder, shall constitute an assumption of any agreement described herein, including, without limitation any collective bargaining agreement between the IBEW, IAM, or IUOE and Delphi or any agreement between GM and Delphi, nor shall anything herein, in the Bankruptcy Court's approval of this SAP-T, or the performance of any obligation hereunder, be deemed to create or give rise to an administrative or priority claim with respect to GM or convert a prepetition claim into a postpetition claim or an administrative expense with respect to any party.

IMPLEMENTATION OF THE SPECIAL ATTRITION PROGRAM – TRANSFORMATION IS SUBJECT TO U.S. BANKRUPTCY COURT APPROVAL AND NO PAYMENTS OR RETIREMENTS WILL BE PROCESSED UNTIL AFTER COURT APPROVAL.

The parties, by their duly authorized officers and representatives, agree accordingly this 31st day of July 2007.

**IAM – DELPHI – GM
MEMORANDUM OF UNDERSTANDING
DELPHI RESTRUCTURING**

INTRODUCTION

District 10, International Association of Machinists and Aerospace Workers, AFL-CIO, Tool and Die Makers Lodge 78 ("IAM"), Delphi Corporation, and General Motors Corporation ("the Parties") have discussed the challenges impacting Delphi and its IAM-represented operations. The Parties acknowledge that restructuring actions are necessary and commit to take specific actions to protect the needs of the Parties and their constituencies. To that end, the Parties agree as follows on a two-party or three-party basis, as applicable, (the "Agreement") subject to ratification by the membership.

A. DURATION

1. The Parties acknowledge that the Delphi Electronics & Safety – Milwaukee operation is scheduled to be closed.
2. The agreements comprising the modified IAM – Delphi collective bargaining agreements following the date of this Agreement are set forth in Attachment A hereto.
3. Except as modified by this Agreement, the 2003 IAM – Delphi Electronics & Safety – Milwaukee Operations Agreements and all related agreements and understandings will be extended and remain in effect until 11:59 p.m. on September 14, 2011, subject to their termination provisions. .

B. WORKFORCE TRANSITION

1. Transformation Program Options

Delphi, GM and the IAM, as applicable, agree on the following Transformation Program options. The Retirement Incentives and Buy Out are subject to the terms of Attachment C, and are generally described below. No retirement options will be afforded to any Delphi employee who was a temporary employee on or after October 8, 2005.

- a. Retirement Incentives – Employees Participating in the Delphi Hourly-Rate Employees Pension Plan ("Delphi HRP")

Delphi, the IAM and GM, as applicable, agree to the following Special Attrition Program – Transformation for such Delphi employees who are participants in the Delphi HRP. Retirement options will be provided for eligible Delphi employees as described in Attachment C and summarized below:

1) \$35,000 for normal or early voluntary retirements, retroactive to October 1, 2005

2) 50 & 10 Mutually Satisfactory Retirement (MSR)

Provisions B.1.a.1 and B.1.a.2 will apply to employees who are eligible to retire by January 1, 2008. Eligible employees will be allowed to retire under these provisions when their services are no longer required, but in any event no later than January 1, 2008.

3) Pre-retirement program covering employees with at least 26 years of credited service, but less than 30 years of credited service as of January 1, 2008 as provided in Attachment C. Employees must commence the pre-retirement program no later than January 1, 2008.

4) These retiring employees will be considered to have transitioned to GM for purposes of post-retirement health care and employer paid basic life insurance in retirement (“Check the Box”) as provided in Attachment C.

5) Participation conditioned on release of claims

b. Buy Out Payments

Delphi and the IAM agree that employees who are active or on leave status will be offered lump sum buyouts to sever all ties with Delphi and GM except vested pension benefits (as such no supplements are payable) when their services are no longer required, but in any event no later than January 1, 2008. The amount of the Buy Out Payments shall be in a non-allocable lump sum, less withholdings, as follows:

1) Eligible employees with 10 or more years of seniority or credited service, whichever is greater, as of January 1, 2008 are eligible for \$140,000;

- 2) Eligible employees with three (3) but less than 10 years seniority or credited service, whichever is greater, as of January 1, 2008 are eligible for \$70,000;
- 3) Eligible employees with one (1) but less than three (3) years of seniority or credited service, whichever is greater, as of January 1, 2008 will be eligible for \$40,000 (the "Buyout Payments").

c. Application Period

The application period, timing of retirements and buyouts, and release dates will be determined by Delphi based upon staffing considerations. In no event will the application period extend beyond October 15, 2007.

d. Release Dates

The timing of retirements, Buy Outs and employee release dates will be determined by Delphi based upon staffing considerations, but no later than January 1, 2008. Notwithstanding this, Delphi is willing to work cooperatively with the IAM to seek mutually agreeable operating arrangements that would facilitate the ability to address employees' desires regarding release dates. Release dates will be in accordance with seniority by classification from an integrated list of eligible employees who have applied for retirement, placement in the pre-retirement program or Buy Out under Paragraphs B.1.a and B.1.b of this Agreement. Release will be offered to the most senior eligible employee in the classification first. If there are insufficient volunteers, the least senior employee in the classification will be released.

e. Release of Claims

All participants will be required to sign a release releasing all claims against Delphi and GM, except workers' compensation claims and unemployment compensation claims.

f. Temporary Employees

As necessary, employees who have accepted a Buy Out may be rehired as temporary employees to satisfy any operating needs. Any employee rehired as a temporary employee will be not acquire seniority or be eligible for benefits, but will otherwise be covered by the provisions of the IAM – Delphi Agreements. Employees who have been rehired as temporary employees will not be eligible for conversion to permanent status, and shall receive the starting wage rate applicable for a new temporary employee. Such temporary

employees will not be eligible for any future attrition programs or payments related to such programs.

g. Selection of Option

An employee may only select one of the options described above for which they are eligible as of January 1, 2008.

h. Failure to Select an Option

Employees who do not select one of the attrition options for which they are eligible, will, when their services are no longer required, be laid off with no Corporation-paid benefits.

2. Buy Down Payment – Seniority Employees

- a. Delphi and the IAM agree that all seniority employees who are on roll (i.e. active, on temporary layoff or on an authorized leave of absence) on January 1, 2008 and receiving compensation (except for pre-retirement program participants and employees who have accepted one of the attrition options effective January 1, 2008 under Attachment C) will be eligible for a one time Buy Down payment of \$10,000, less applicable withholding, in the first pay ending after January 1, 2008.
- b. Such employees, whether they elect to receive the Buy Down Payment or not, will have their wages and benefits modified as follows:
 - 1) COLA in effect as of the Effective Date of this Agreement will be frozen at that level through December 30, 2007. Employees who remain on roll will have such frozen COLA folded into their base rate effective December 31, 2007. Thenceforward, Paragraphs 80(a) through 80 (i) and the letter dated December 22, 2003 from Timothy A. Wilimitis to Dan Bigalke titled "COLA Calculation", will be deleted from the IAM – Delphi Agreement, and there will be no COLA.
 - 2) Sickness & Accident (S&A) benefits, Extended Disability Benefits (EDB), health care, life insurance, and other applicable benefits will be reduced on January 1, 2008 to the levels described in Attachment D. The Individual Retirement plan will become effective as provided in Section D.2 of this Agreement and the Retiree Medical Account will become effective as

provided in Section D.4 of this Agreement.

- 3) For all hours worked on and after December 31, 2007, the Corporation contribution to the Income Security Plan accounts of eligible employees will be reduced to \$0.18 per hour.
 - c. Employees must sign a Conditions of Participation Release Form in order to receive the \$10,000 lump sum payment.
 - d. These modifications will apply to any employees (except temporary employees) hired after the effective date of this Agreement.
3. Separation Payment – Current Employees with Less than One Year of Seniority or Credited Service as of January 1, 2008

Delphi and the IAM agree that any employee (except temporary employees) on the active employment rolls as of the Effective Date of this Agreement who does not have at least one (1) year of seniority or credited service, whichever is greater, as January 1, 2008, and who is permanently laid off prior to September 14, 2011, shall be eligible for a non-allocable lump sum severance payment equal to \$1,500 for each month of his/her service with Delphi. The maximum amount of the severance pay is \$40,000, less applicable withholdings. Employees must sign a Conditions of Participation Release form in order to receive the Severance Payment. The Parties agree that employees who are separated will sever all ties with GM and Delphi except for any vested pension benefits (as such no pension supplements are payable), if any.

4. Any problems with the implementation of this Transformation section will be discussed by a representative designated by the IAM and a representative designated by the Vice President – Human Resources – Delphi Corporation.

C. GM PROVISION OF OPEB

The Parties have agreed to a "Term Sheet – Delphi Cessation and GM Provision of OPEB" (the "Term Sheet") with respect to the cessation of post-retirement health care and employer paid basic life insurance in retirement ("OPEB") for Delphi employees and retirees and GM provision of OPEB for certain Delphi retirees and eligible employees. That agreement is attached as Attachment B, and is incorporated by reference herein.

D. MODIFICATIONS TO THE EXISTING 2003 DELPHI – IAM AGREEMENTS

The IAM and Delphi agree to the following modifications to the 2003 Delphi – IAM Agreements:

1. Wages

Paragraph 79 of the 2003 IAM – Delphi E&S – Milwaukee Agreement will be replaced by the following clause:

“During the term of this Agreement, IAM-represented employees at the Delphi E&S – Milwaukee plant will receive base wage rate increases calculated in the same manner and implemented at the same time as the base wage rate increases received by UAW-represented skilled trades employees at the Delphi E&S – Milwaukee plant. Concurrent with the implementation of each base wage rate increase, the table of minimum and maximum rates for each classification in Section III of the Wage Agreement attached to the 2003 IAM – Delphi E&S – Milwaukee Agreement will be adjusted to reflect the increases. Similarly, the Apprentice Rate Schedule in Article XIII of the Apprentice Agreement attached to the 2003 IAM – Delphi E&S – Milwaukee Agreement will be adjusted to reflect the increases.”

2. Delphi Hourly Rate Employees Pension Plan

Applicable terms and conditions of Supplemental Agreement Covering Pension Plan, Exhibit A of the Agreement between Delphi and the International Association of Machinists and Aerospace Workers, AFL-CIO, Lodge 78 will be eliminated or modified as follows:

- a. Delphi will as of the first of the month next following the Effective Date or as soon as practicable thereafter in accordance with applicable law (the “Freeze Date”), amend the Delphi HRP so as to freeze benefit accruals for future credited service in the Delphi HRP, except as set forth in paragraph D.2.b.2 below. This freeze does not apply to the Individual Retirement Plan provisions of the Delphi HRP.
- b. With regard to such amendment and freeze of the Delphi HRP, Delphi will cause the frozen Delphi HRP to pay benefits in accordance with the terms of the Delphi HRP and applicable law. These benefits will not be reduced from the levels in effect as of the date immediately preceding the Effective Date unless they are similarly reduced for other retired Delphi HRP participants. The IAM agrees that Delphi reserves its right to seek termination of the

Delphi HRP consistent with applicable law. In this regard:

- 1) Delphi HRP participants, who are retired as of the Freeze Date, will continue to be eligible for and receive from the Delphi HRP all benefits, including but not limited to any applicable supplements and benefit redetermination provided for in the Delphi HRP as of the date immediately preceding the Effective Date.
- 2) Delphi HRP participants who are participants in the Special Attrition Program – Transformation provided for in Attachment B of this Agreement (the “SAP-T”), and who are not retired or separated from service under the SAP-T as of the Freeze Date, will receive credited service in the Delphi HRP for all purposes, including but not limited to eligibility, vesting and future benefit accruals, as if there were no freeze, until the earlier of their retirement or separation from service under the terms of the SAP-T. For the avoidance of doubt, the Delphi HRP is solely responsible for all credited service for accrual, vesting and eligibility purposes for all Delphi participants in the SAP-T, including but not limited to participants in the pre-retirement program option. Further, all Delphi SAP-T participants will be eligible for and will receive full Delphi HRP benefits upon their retirement under the terms of the SAP-T, including but not limited to any applicable supplements and benefit redetermination provided for in the Delphi HRP as of the date immediately preceding the Effective Date. Delphi SAP-T participants are not eligible to participate in the Individual Retirement Plan provisions of the Delphi HRP and are not eligible to receive Delphi matching contributions under the Delphi Personal Savings Plan.
- 3) Delphi HRP participants (other than those referred to in paragraph D.2.b.2) above) who are eligible to retire as of the Freeze Date will, upon their retirement, receive from the frozen Delphi HRP all benefits provided for in the Delphi HRP under the terms in effect as of the date immediately preceding the Effective Date, including but not limited to any applicable supplements and benefit redetermination provided for in the Delphi HRP.
- 4) Delphi HRP participants (other than those referred to in paragraph D.2.b.2) who become eligible to retire after the Freeze Date, when taking into account Delphi credited service and their age at retirement will, upon their retirement, receive from the Delphi HRP all benefits provided for in the Delphi HRP,

including but not limited to any applicable supplements and benefit redetermination provided for in the Delphi HRP under the terms in effect as of the date immediately preceding the Effective Date.

- 5) For the avoidance of doubt, Delphi HRP participants referred to in paragraphs D.2.b.3 and D.2.b.4 above, will, upon retirement, receive from the Delphi HRP in addition to any other applicable Delphi HRP benefits the:
 - a) full amount of the 30 & out benefit through age 62 and one month, or the 80% rate for those born on or before September 14, 1945, including, but not limited to, the full Early Retirement Supplement, in effect as of the date immediately preceding the Effective Date;
 - b) portion of the Interim Supplement (which is applicable in both 85 point and 60 & 10 retirements) in effect under the Delphi HRP based on the credited service accrued as of the date immediately preceding the Freeze Date and age at the time of retirement; and
 - c) portion of the Temporary Benefit (T&PD and mutual retirements) in effect under the Delphi HRP based on the credited service accrued as of the date immediately preceding the Freeze Date, not to exceed 30 years.
- 6) For the avoidance of doubt, no Delphi HRP participants, including those referred to in paragraphs D.2.b.1 through D.2.b.4 above, will receive lump sum payments or any increase in benefits above the level of those provided for in the Delphi HRP as of January 1, 2007. Additionally, no new participants will be allowed to join the frozen Delphi HRP.
- 7) Until the Freeze Date, Delphi HRP participants who buy down, pursuant to this Agreement will continue to receive credited service in the Delphi HRP for all purposes, including but not limited to, eligibility, vesting, and future benefit accruals under the same terms and conditions in the Delphi HRP as prior to the buy down. During this period, such Delphi HRP participants will not be eligible for the Individual Retirement Plan provisions of the Delphi HRP or matching contributions under the Delphi Personal Savings Plan. As of the Freeze Date, Delphi HRP participants who buy down pursuant to this Agreement will receive credited service in the Delphi HRP for eligibility and vesting purposes only.

c. Effective upon the Delphi HRP Freeze Date, employees who are bought down, or who are hired on or after the effective date of this Agreement (except temporary employees), will be eligible for the provisions of the Individual Retirement Plan provisions of the Delphi HRP;

- 1) Delphi will provide annual contributions equal to 5.4% of wages to each employee's Individual Retirement Plan account.
- 2) Accounts will accrue with interest credited annually at the 30 year U.S. Treasury Bond rate.
- 3) Plan assets will be retained in a pension trust subject to vesting and portability provisions.
- 4) There will be no provisions for supplements, temporary benefits or 30 and out retirement.

4. Post-Retirement Health Care and Employer Paid Basic Life Insurance in Retirement

a. Current employees and retirees eligible to receive post-retirement health care and employer paid basic life insurance in retirement from GM in accordance with Attachment B

Employees who can attain eligibility to receive post-retirement health care and employer paid basic life insurance in retirement from GM under the Term Sheet are not eligible to receive credits in the Post-Retirement Health Care Account described in paragraph D.4.b. below.

Applicable terms and conditions, related to post-retirement health care coverage, of Supplemental Agreement Covering Health Care Program, Exhibit C and post-retirement life insurance coverage, of Supplemental Agreement Covering Life and Disability Benefits, Exhibit B of the agreement between Delphi and the International Association of Machinists and Aerospace Workers, AFL-CIO, Lodge 78, will be eliminated or modified accordingly as of the effective date of the Term Sheet – Delphi Cessation and GM Provision of OPEB (Attachment B).

b. Current employees who are bought down and who are not eligible for post-retirement health care and employer paid basic life insurance from GM in accordance with the Term Sheet, and all new employees hired on or after the Effective Date of this Agreement

As of January 1, 2008, current employees who are bought down and who are not eligible to receive post-retirement health care and employer paid basic life insurance in retirement from GM in accordance with the Term Sheet, and all employees hired after that date, will be eligible for the following:

- 1) Upon retirement from Delphi, employees will be able to continue any health care coverages then in effect for themselves and any eligible dependents by paying the full cost of any coverages continued. Delphi will make such coverages available at "group rates".
- 2) Delphi will provide a Post-Retirement Health Care Account that can be used to pay for continued coverages. Delphi will credit each eligible employee's account with \$0.50 for every compensated hour during employment. Newly hired employees are immediately eligible for such credits on date of hire. For bought down employees, eligibility for such credits will commence with the buy down on January 1, 2008.

- 3) Hours for which employees will receive the credit generally include any time for which they receive pay, including straight-time hours, for such things as:
 - i. Bereavement Pay;
 - ii. Call-in Pay;
 - iii. Holiday Pay;
 - iv. Jury Duty;
 - v. Overtime;
 - vi. Short-term Military Duty; and
 - vii. Vacation.
- 4) The Post-Retirement Health Care Account will also be credited with interest on an annual basis. The interest rate is that for the 30-year U.S. Treasury Bond at the end of each year. Any interest will be credited based on the accrued balance at the end of each calendar year and will be recorded no later than May 1 of each year. This credit balance continues to accrue until the employee retires or dies, at which time all credits and interest will cease to accrue.
- 5) At that point the retiree or eligible surviving spouse may begin to draw down the balance. Credits may only be used to pay for the cost of health care coverages continued through Delphi or health care coverages that are purchased on an individual basis or through another group.
- 6) This credit balance has no cash value, may not be transferred and may only be used to pay for health care coverages. Delphi contributes cash to the account only when a claim for reimbursement is made. If an employee leaves Delphi without retiring, the balance will be forfeited.
- 7) If the employee dies in retirement status, or after becoming eligible to retire voluntarily under the Delphi HRP, the employee's eligible surviving spouse and eligible dependents will continue to have access to Delphi group coverages on a self-pay basis. Such coverages may be paid for using any remaining balance in the Post-Retirement Health Care Account.
- 8) A surviving spouse age 65 or older who is eligible, but is not enrolled for Medicare Part B coverage, is not eligible to draw upon the Post-Retirement Health Care Account. Coverages may be continued on a self-paid basis until Medicare Part B coverage is obtained. After enrollment in Part B, the surviving

spouse may draw upon the account while Medicare Part B enrollment is maintained.

All Miscellaneous Program Documents and Unpublished Letters will be conformed to the administration of the provisions described above.
